QHSE POLICY

This QHSE Policy supports KAI Oman 's Strategic Business Direction and provides framework for setting QHSE Objectives. It has been established and implemented as per ISO 9001:2015; ISO 14001:2015 & ISO 45001:2018 requirements. It is communicated to all interested parties (including Workers and Subcontractors), as appropriate. This QHSE Policy has been developed for the implementation of Process Approach and Risk based thinking.

In pursuit of our vision, KAI Oman is committed to-

- 1)** Improve the Quality and Cost Effectiveness of our projects & services and improve the Customer Satisfaction through excellence in all facets of our activities.
- 2)** Achieving Productivity and Quality norms of our all projects & services regularly.
- 3)** Conserving energy and natural resources and preventing the adverse impact of our operations on the Environment.
- 4)** Preventing injury and ill health by providing safe and healthy working environment for our employees and visitors to our premises.
- 5)** Complying with all applicable Legal (statutory and regulatory), Customer, KAI Oman requirements pertaining to Quality, Environment, and Occupational Health & Safety.

KAI Oman pledge to strive for Continual Improvement of our QHSE Management System Performance through innovation and involvement of all our employees.
